MINTEK SCi

SCIENCE CONVENTION OF INNOVATORS
IN SCIENCE, TECHNOLOGY AND ENGINEERING

Hackathon Programme – Day 1

Venue: Mintek, 200 Malibongwe Drive, Praegville, Randburg

We are pleased to welcome you to Mintek for the Hackathon. Over the past month, you have dedicated your time and effort to developing innovative solutions, and today marks the culmination of that hard work. This is your opportunity to refine your projects, collaborate with peers and mentors, and prepare to present the results of your creativity and problem-solving. We encourage you to take full advantage of the support available, and above all, enjoy the experience as you bring your ideas to life.

Important Notes for Participants

- **Arrival and Registration:** Teams must arrive between **07:00 and 08:00** to register and enjoy morning tea.
- **Laptop Declaration:** All laptops must be declared at the gate. Teams will hack using their own laptops.
- **Facilities:** Mintek will provide Wi-Fi and allocated workspaces. Some spaces will be shared, so teams are encouraged to respect each other.
- **Conduct:** Mintek is an active workplace. Participants must remain in their designated workspace, eating area, or outside space. Please do not wander around offices or other areas of the campus.
- **Mentorship:** Floor mentors will be available throughout the day to provide guidance and assistance if required.
- **Uniform:** Each team member will receive a T-shirt, hat, and snack box. It will be compulsory to wear the T-shirt and hat on campus for 2 October 2025 when you will be presenting.
